Book information

Editor: Krastl, Gabriel / Weiger, Roland / Filippi, Andreas

Title: Zahntrauma

Subtitle: Therapieoptionen für die Praxis

Short text:

This book discusses all the relevant interrelationships and the therapeutic options in the case of dental trauma. It is a mix of previously published and new contributions that represent the field of dental traumatology well and help to solve the "3D puzzle" of dental trauma, where the right procedures – depending on the injured structures – have to be put together to form a whole.
