

Book information

Authors: Nicholas J. A. Jepson
Title: Removable Partial Dentures
Series: QuintEssentials of Dental Practice

Short text:

If partial dentures are worth making, then they are worth making well. This book presents a review of demographic changes in the partially dentate population, the increasing availability of alternative treatments, and evidence for the long-term effectiveness of partial dentures. In addition, it provides evidence-based guidelines that practitioners can apply to the design, preparation, completion, and maintenance of removable partial dentures in their everyday clinical practice.

Contents

Chapter 01. Partial Denture Provision
Chapter 02. Indications for Partial Dentures
Chapter 03. Basic Principles of Partial Denture Design
