Continue the story of Lynn, Leo Lino, Basta and Professor in the third book of the Magical Tooth Fairies series. In this story, a little boy does not want to go to school because he does not want to leave behind his teddy bear. But when he loses a tooth, the tooth fairies (followed by McCavity and Dee Kay) visit him and promise to grant his wish if he goes to school. Based on a popular cartoon, each book in this series comes with a DVD of the corresponding episode, simultaneously entertaining and educating children on the importance of brushing their teeth.
