

Buch-Information

Autoren: Ioannis K. Karoussis / Niklaus P. Lang

Titel: Peri-Implantitis

Untertitel: From Diagnosis to Treatment

Kurztext:

In collaboration with P. Ntokou

Although much information exists on peri-implantitis, until now there has been a significant lack of concentrated knowledge and information on the subject presented in a book. This comprehensive publication solves that by summing up and assessing all the available information on peri-implant tissue pathology. It includes the authors' vast clinical experience and offers conclusions gained from the critical evaluation of scientific research. The text is accompanied by a plethora of images and schematic illustrations that support and help to interpret the scientific knowledge, while also offering a step-by-step methodology to complement the techniques presented.

The book is therefore an invaluable source of information and clinical guidance for clinicians and students regarding the prevention, diagnosis, and successful treatment of peri-implant diseases.

Contents

- Chapter 01. Anatomy of Periodontal and Peri-Implant Tissues
- Chapter 02. Peri-Implant Tissue Healing after Implant Placement
- Chapter 03. Classification of Peri-Implant Diseases
- Chapter 04. Etiologic and Risk Factors of Peri-Implant Diseases
- Chapter 05. Epidemiology of Peri-Implant Diseases
- Chapter 06. Success and Survival of Implants
- Chapter 07. Diagnosis of Peri-Implant Disease
- Chapter 08. Treatment of Peri-Implant Diseases: Cumulative Interceptive Supportive Therapy
- Chapter 09. Cause-Related Therapy (Infection Control)
- Chapter 10. Classification of Peri-Implant Bony Defects
- Chapter 11. Corrective Phase of Therapy: Surgical Therapy
- Chapter 12. Corrective Phase of Therapy: Regenerative Techniques
- Chapter 13. Peri-Implant Plastic Surgery
- Chapter 14. Effectiveness of Peri-Implant Therapy
- Chapter 15. Explantation
- Chapter 16. Maintenance Care in Implant Patients

Fachgebiet(e): Implantologie, Zahnheilkunde allgemein, Literatur für Studium

Auflage: 1. Auflage 2024

Seiten:: 264

Abbildungen: 1045

Einband: Hardcover; 21 x 28 cm

ISBN: 978-1-78698-145-5

Artikelnr.: 12531
