Buch-Information

Autoren: Bora Korkut
Titel: Composite Restorations in Anterior Esthetics
Kurztext:

This book brings you the benefit of the author's vast experience in the clinical application protocols and techniques for anterior direct composite restorations. A careful selection of photographs of cases and materials are supported with application videos of the restorative techniques. Clinical tips are included for both undergraduate and postgraduate students as well as for clinicians. The book aims to provide the reader with the ability to perform esthetic and long-lasting composite restorations in all types of anterior cases. A special chapter focuses on complications, reasons for failure, and related outcomes.
