## Buch-Information

**Autoren:** Nicholas J. A. Jepson  
**Titel:** Removable Partial Dentures  
**Reihe:** QuintEssentials of Dental Practice  
**Kurztext:**

If partial dentures are worth making, then they are worth making well. This book presents a review of demographic changes in the partially dentate population, the increasing availability of alternative treatments, and evidence for the long-term effectiveness of partial dentures. In addition, it provides evidence-based guidelines that practitioners can apply to the design, preparation, completion, and maintenance of removable partial dentures in their everyday clinical practice.
