## Book information

**Authors:** Jean-Marie Korbendau / Antonio Patti

**Title:** Clinical Success in Surgical and Orthodontic Treatment of Impacted Teeth

**Series:** Clinical Success

**Short text:**

This book explains how impacted teeth can be erupted and moved into the dental arch. The authors present step-by-step procedures for establishing a precise anatomical diagnosis, restoring eruptive pathways, making room in the dental arch, locating the impacted tooth, and developing effective appliances.

**Categories:** Orthodontics, Oral/Maxillofacial Surgery
