## Book information

**Authors:** R. Graham Chadwick  
**Title:** Dental Erosion  
**Series:** QuintEssentials of Dental Practice

#### Short text:

Dental erosion is increasingly common. Its effects can be profound with lifelong consequences for the general and dental health of affected individuals. This book seeks to provide a framework of knowledge, in an easy-to-use format, to enable the dental team to manage effectively those with dental erosion. A concise, evidence based approach is adopted that is illustrated with examples of real cases. Many useful practical tips on treating such patients are given.

#### Contents

Chapter 1. Erosion—Is it a Problem?  
 Chapter 2. Risk Factors Associated with Dental Erosion  
 Chapter 3. Formulating a Management Strategy  
 Chapter 4. Preventive Measures  
 Chapter 5. The Future

**Categories:** Restorative Dentistry, General Dentistry
