Title: Meine Praxis in gute Hände

Subtitle: Leitfaden zur Abgabe einer Zahnarztpraxis

Short text:

Giving up one's own practice occupies the mind of every self-employed dentist at some point. This major step with considerable consequences for patients, the practice team, and one's own life's work should be well planned. In this book, experts who are familiar with the special situation of dentists provide an overview of the topics of law, taxes, finances, insurance, practice value, and positioning as well as personal factors surrounding a successful practice handover. This book aims to prepare dentists well, so that they can deal with the practice handover safely and conclude with a good feeling.
