## Buch-Information

**Autoren:** R. G. "Wick" Alexander  
**Titel:** The Alexander Discipline Volume 3  
**Untertitel:** Unusual and Difficult Cases  
**Kurztext:**

Following in the footsteps of the previous two volumes, this third volume of the Alexander Discipline, focusing on unusual and difficult cases, demonstrates through the presentation of complete patient records how these principles can be used to achieve beautiful, functional, and stable results even in patients requiring creative treatment planning and treatment mechanics. In the situations presented in this book, there is no one right answer to the problem, and the orthodontist must have the confidence and relevant knowledge to formulate the treatment plan most suitable for each patient.
