Buch-Information

Autoren: Vivian E. Rushton / John Rout

Titel: Panoramic Radiology

Reihe: QuintEssentials of Dental Practice

Kurztext:

This book promotes a greater understanding of the principles of panoramic radiography by simplifying the complexities that often exist in larger texts. Topics covered range from how to produce the panoramic radiograph to how to interpret the radiographic image. The text is written to provide the entire dental team with a better understanding of panoramic radiology and how to maximize image quality and diagnostic yield for the benefit of the patient.
