## Buch-Information

**Autoren:** Michael V. Martin / Martin R. Fulford / Antony J. Preston

**Titel:** Infection Control for the Dental Team

**Reihe:** QuintEssentials of Dental Practice

#### Kurztext:

Infection control is central to the clinical practice of dentistry. This book deals with infection control risk, medical histories and personal protection, surgery design and equipment, instrument decontamination, disinfection and ethical and legal responsibilities in infection control. It explains the reasons why we perform infection control and practical ways to do it and will be of interest and practical help to all the dental team.
