Title: Esthetics in Dentistry

Short text:

"My sincere hope is that, over and above its professional contribution to the dental community, this book will encourage both young and experienced women dentists to escalate their knowledge, wisdom, and artistic talent, and to have the impact on the dental community they so rightly deserve."

Dr Devorah Schwartz-Arad

This book represents a unique collaboration between 17 internationally renowned female dentists as well as an insightful overview of contemporary esthetics. Topics include orthodontics and orthognathics, implants, restoration, rehabilitation, materials, trauma, and surgery. Each author also provides fascinating insight into her journey of success in a male-dominated industry.
