Book information

Authors: Valerie Clerehugh / Aradhna Tugnait / Iain L. C. Chapple
Title: Periodontal Management of Children, Adolescents and Young Adults
Series: QuintEssentials of Dental Practice

Short text:

This is a practical guide to the management of gingival and periodontal diseases in children and adolescents. It provides a simple step-by-step approach to periodontal diagnosis and subsequent management for the general dental practitioner, emphasizing the value of teamwork and indicating when to treat and when to refer to a periodontist.

Contents

- Chapter 01. Periodontal Problems in the Young: Myth or Reality?
- Chapter 02. Development of Periodontal Diseases in the Younger Population
