Book information

Authors: Raj Rattan
Title: Quality Matters
Subtitle: From Clinical Care to Customer Service
Series: QuintEssentials of Dental Practice

Short text:

This unique book considers the concept of quality as it relates to the provision of dental care. For the author's purposes, quality is defined in relation to the process of care, the service given, the people delivering the care, and the environment in which the care is provided. In each of these various facets of dental care, the author considers the process of measuring, assessing, improving, and monitoring quality and its impact on the way we work and live.
