**Title:** Complete Dentures  
**Subtitle:** From Planning to Problem Solving  
**Series:** QuintEssentials of Dental Practice

#### Short text:

The proportion of elderly adults is rapidly rising as life expectancy increases. Many of these adults will not retain sufficient numbers of teeth for the remainder of their lives, and will require complete dentures at some point. This book deals with the planning, construction and review of complete dentures and examines the role of osseointegrated prostheses in the management of edentulism.
