## Book information

**Authors:** Roger Detienville  
**Title:** Clinical Success in Management of Advanced Periodontitis  
**Series:** Clinical Success

#### Short text:

This logical, cogent, and rigorous book presents approaches to treating advanced periodontitis based on clinical signs and biologic features of the disease and on current data concerning bacterial etiology and new diagnostic methods. Treatment strategies that conform to the new classification criteria of periodontal diseases are tailored to individual cases, and numerous clinical cases illustrate the surprising repair capacities obtained through the use of time-tested maintenance techniques.

**Categories:** Periodontics
