

Edizione: 1st Edition 2004
pagine: 204
Immagini: 135
Copertina: Hardcover
ISBN: 978-1-85097-071-2
Pubblicato: febbraio 2004

Autori: Valerie Clerehugh / Aradhna Tugnait / Iain L. C. Chapple
Titolo: Periodontal Management of Children, Adolescents and Young Adults
Collana: QuintEssentials of Dental Practice

Testo breve:

This is a practical guide to the management of gingival and periodontal diseases in children and adolescents. It provides a simple step-by-step approach to periodontal diagnosis and subsequent management for the general dental practitioner, emphasizing the value of teamwork and indicating when to treat and when to refer to a periodontist.

Contents

- Chapter 01. Periodontal Problems in the Young: Myth or Reality?
