Autoren: Douglas A. Terry

Titel: Expressions of the Soul Exposed

Kurztext:

Dentist, researcher, and teacher by day, Douglas A. Terry's secret passion for photography flourishes in this essential book. Through a love of travel and a keen artist's eye, Terry has assembled a beautiful array of pictures of people from all across the globe. Accompanied by quotations that, like musical harmonies, bring out their depth and color, these photographs point straight through the eyes and into the hearts of their subjects. Terry's pictures betray an earnest care for the lives of his subjects, with his close, direct composition letting their faces tell the stories. Expressions of the Soul Exposed is a heartfelt journey across the landscape of the human soul.
