## Book information

**Authors:** Brooke Blicher / Rebekah Lucier Pryles / Jarshen Lin / Alice Li

**Title:** Clinical Endodontics

**Short text:**

This straightforward clinical manual covers everything dentists need to know about basic endodontics. The essentials of endodontic examination and diagnosis, pharmacology, surgical and nonsurgical treatment, vital pulp therapy, emergency treatment, complication management, and more are all reviewed here. The quick guide accompanying the main text is an invaluable reference tool, providing step-by-step instructions for performing procedures and lists of required materials to ensure a well-stocked clinic.

**Contents**

**Part 1. Establishing a Diagnosis**

Chapter 01. Examination Protocols

Chapter 02. The Definitive Diagnosis
