## Información sobre el libro

**Autores:** Mirela Feraru / Nitzan Bichacho

**Título:** Dental Visualization

**Subtítulo:** A Practical Approach to Digital Photography and Workflow

**Texto breve:**

This book provides the practicing clinician with a clear and concise guide to dental photography and its role in modern dentistry. The main aspects are broken down into easy-to-follow chapters, all lavishly illustrated with detailed images. Aspects such as the importance of digital documentation, camera components, and photographic equipment as well as simplified protocols for high-end results, different dental specialties, and troubleshooting are all covered within the book's pages. The authors have condensed their extensive knowledge and expertise into a book that will surely prove invaluable to all those working within modern dental practices.

**Contents**
