Información sobre el libro

Autores: Vivian E. Rushton / John Rout
Título: Panoramic Radiology
Serie: QuintEssentials of Dental Practice

Texto breve:

This book promotes a greater understanding of the principles of panoramic radiography by simplifying the complexities that often exist in larger texts. Topics covered range from how to produce the panoramic radiograph to how to interpret the radiographic image. The text is written to provide the entire dental team with a better understanding of panoramic radiology and how to maximize image quality and diagnostic yield for the benefit of the patient.
