## Información sobre el libro

**Autores:** Lance Brendan Young / Cynthia Rozek O'Toole / Bianca Wolf

**Título:** Communication Skills for Dental Health Care Providers

**Texto breve:**

This evidence-based textbook presents the essential communication strategies clinicians should know to facilitate interaction with patients. With a focus on practical strategies instead of dense communication theories, the authors facilitate improved patient-provider communication and demonstrate how to elicit accurate patient information during the health interview, communicate effectively during examinations and procedures, and present preventive and restorative treatment plans from a patient-centered perspective.
