Autores: Paulo Battistella
Título: Keep it simple
Subtítulo: Concept Porcelain Book

Texto breve:

In the observation of nature smile, the complexity of facial dynamics, the various biotypes of gums and teeth - these are the natural references that challenge us to find the most beautiful esthetic. The concept of biomimicry, more precisely cosmetic dentistry, is based on this search. Technology has revolutionized cosmetic dentistry and helped make biomimicry a reality. In many dental procedures, nature and function together provide a unique set of references.
