Información sobre el libro

Autores: Raj Rattan
Título: Quality Matters
Subtítulo: From Clinical Care to Customer Service
Serie: QuintEssentials of Dental Practice

Texto breve:

This unique book considers the concept of quality as it relates to the provision of dental care. For the author's purposes, quality is defined in relation to the process of care, the service given, the people delivering the care, and the environment in which the care is provided. In each of these various facets of dental care, the author considers the process of measuring, assessing, improving, and monitoring quality and its impact on the way we work and live.
